EXAMINER'S AMENDMENT

1. This application is in condition for allowance except for the presence of claims 17-36 to an invention non-elected without traverse.
2. Accordingly, claims 17-36 have been cancelled.

Allowable Subject Matter

3. Claims 1, 3-16 and 37 are allowed.
4. The following is an examiner's statement of reasons for allowance: Independent claims 1 and 37 have been amended to recite a means for providing halogen species to water in the water system and means for regulating an amount of free radical species and an amount of halogen species. The examiner agrees with applicant's statement that the cited prior art fails to disclose or suggest a halogen species source to provide halogen to the water system or a means for regulating the amount of halogen added, in combination with the other recited elements in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

5. New corrected drawings are required in this application because they are informal and the application is otherwise in condition for allowance. The corrected drawings are required in reply
